

Get the quality and dependability of the next best thing to a new transmission, a Medium-Duty Reman

Eaton Medium-Duty Reman transmissions are expertly remanufactured with Genuine Eaton components and certified to Eaton specifications. Other advantages include:

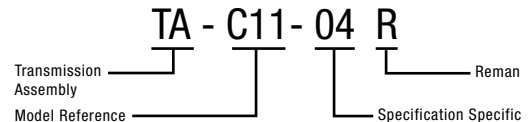

- Every Reman comes with a one-year warranty for parts and labor, that's fully transferable and good throughout North America.
- Each unit comes complete with a shift bar housing and all parts are genuine Eaton quality components, certified to Eaton specifications.
- Extend component life, increase uptime and improve productivity with enhanced transmission seals and new synchronizers to reduce required maintenance.
- Backed by the Roadranger network – the nation's leading support system for drivetrain components – providing unequalled protection, support, and training from experienced professionals.
